Timber merchants love Harrier

"We can now quote sheds in 10 minutes which has considerably increased our market share"

Rob Murphy

Craig Fraser

"We find the Harrier software very easy to use. We can quote a shed in minutes and it gives us a clear competitive edge"

"Estimate with floor and elevation plans completed with the client in 15 minutes. Happy client and a quick decision to buy."

Grant McKenzie

Alan Ball

"Having the customer walk away from the office and knowing a price in minutes is a great sales tool"

Timber merchants love Harrier

"I find Harrier easy to use and the time saving is great. The CAD drawings have proved to be an excellent tool for closing the deal."

Terry Miller

Jenn Marshall

"Harrier makes quoting sheds much simpler and stress free."

"Fast quoting, with concept drawings to show at the end equals a great result."

Tim Dredge

Brent Harris

"I love how quick and easy Harrier is to use for quotes. We turn around our quotes in minutes."
